JOINT CASE MANAGEMENT STATEMENT ; ORDER RESETTING CMC

Date: December 17, 2015
Time: 10:30 a.m.
Courtroom: 5
Judge: Hon. Edward M. Chen

1
 2 Since the last Case Management Statement filed on November 18, 2015, plaintiff M/A
 3 Technology Solutions Inc. ("MACOM") and defendant Steven Collins ("Collins") have entered
 4 into a written settlement agreement, which includes a stipulation for entry of judgment if certain
 5 payments are not made. The agreement also provides that Judge Westmore will retain
 6 jurisdiction to enforce the settlement agreement and enter a stipulated judgment, if necessary.
 7 The last payment under this settlement agreement is to be made on December 31, 2016.

8 Because co-defendant Integrated Semiconductor Service Inc. ("ISS") is a suspended
 9 corporation, is not represented, is not a party to the settlement agreement and has not responded
 10 to the complaint, MACOM will be filing a request to take its default. However, if Collins
 11 makes all the payments under the settlement agreement there will be no reason to have a
 12 judgment entered against ISS.

13 Accordingly, the parties request that the Court keep jurisdiction over this matter until
 14 either judgment is entered against both ISS and Collins because Collins fails to make a payment
 15 under the settlement agreement, or the parties dismiss the action after the last payment is made
 16 on or before December 31, 2016. In light of this, MACOM and Collins respectfully request
 17 that the Court vacate the December 17, 2015 status conference.

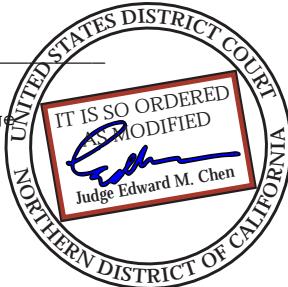

18 Dated: December 14, 2015.
